

New Collection

## Colours that sparkle

ViPrint™ **crea**

**We're not done surprising you!**

Opt for a palette of fluorescent colours that will make your products sparkle and stand out.

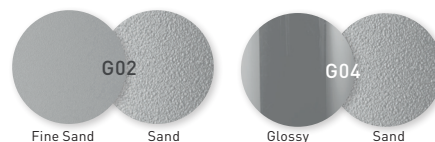

The flashy colours of our new **TONIC Collection** are now available as standard, in fine sand/ sand (G02) and glossy / sand (G04) embosses. Ideal for your projects of notebook covers, binders, pouches, boxes or cases, folders, signs...

Ask our sales department for samples! (+33 (0)3 21 61 66 66)

The **TONIC Collection** is available in opaque, **ecological** and **100% recyclable** polypropylene sheets.

- Available from 0.40 mm to 0.80 mm
- From 500 kg per colour, per thickness and per format
- Finishes: fine sand/sand (G02) and glossy/sand (G04)

With **ViPrint™ crea**, we always fit in the trend!

**The entire sales team is at your disposal to answer your questions.**  
See you soon,

The Marketing Department
